WHY A GUIDE?

The Pryor Area Chamber of Commerce has decided to implement an annual sponsorship guide. We know that there are plenty of opportunities throughout the year for businesses to sponsor events. We wanted to make it easy to plan ahead for PACC sponsorships. We also know that every business has different passions and values. We hope this guide will allow your business to sponsor events that align with your mission. We could not do what we do without sponsors, so thank you from the bottom of our hearts for considering supporting the PACC! This guide presents sponsorships available for the 2025 year. You will see the prices and what is included with each sponsorship listed on the following pages. At the end of the document, you will see instructions on how to claim sponsorships. Please feel free to reach out to us if you have any questions!
